BELMONT GARDEN CLUB SCHOLARSHIP

Established in 2017, the Belmont Garden Club Scholarship is open to all students at Belmont High School who are intending to pursue studies in horticulture or environmental studies. The scholarship money comes from a variety of fund raising activities, such as the May Perennial Sale, that the Belmont Garden Club hosts throughout the year.

Applicants must reside in Belmont and plan to attend a two or four-year accredited institution or seek a graduate degree in the following:

- Horticulture
- Biology
- Environmental Studies
- Forestry
- Landscape Design
- Other closely related field

Previous recipients have gone on to make significant contributions in these fields. By offering these scholarships, the Belmont Garden Club hopes to foster further interest in the world of plant culture.

Scholarship recipients are chosen on the basis of academic excellence, community service, volunteer and employment experiences, extracurricular activities and awards, and teacher's/counselor's recommendations.
